IN MEMORIAM

Philip Ashley Holmes

Dec. 14, 1923 - July 23, 1976

Philip Holmes, born in Dover, N.H., was a resident of Waterboro for the past 36 years, and was loved by all who knew him. He was the son of the late Rev. Lester C. and Susan Maling Holmes. On New Year's Eve 1942 he married the former Pauline Thornton, a native of Waterboro and daughter of Evelyn (Johnson) and Harold Thornton. Surviving him are their daughter Cynthia (Mrs. John Winslow) and 3 grandchildren. Phil's services to the town and its citizens were many and varied. He was employed by the Waterboro Co. for many years, and served as Road Commissioner and Fire Chief. In the latter capacity he was instrumental in securing the first ambulance for the town. He was past president of the York County Firemen's Assn., past commander of Brown-Emmons Post, American Legion, and a member of Fraternal Lodge, AF and AM of Alfred; of White Rose Chapter RAM, and Bethany Commandery, KT of Sanford; and Kora Temple Shrine of Lewiston and the York County Shrine Club.

Phil was a special kind of man, one who knew the joy of giving and serving others. Always eager and ready to help anyone in any kind of need, he gave of himself unstintingly. If it is true that "thoughtfulness is the best measure of a man", Phil Holmes was several times his six feet tall.

BUILDING COMMITTEE REPORT

The Building Committee was formed as directed by a vote at the 1976 Annual Town Meeting and instructed to "bring a report into the next Annual Town Meeting on a Municipal Building and costs." Since its formation in June your Committee has met monthly and:

1. Sampled public opinion regarding a Municipal Building, through a questionnaire mailed out to 700 households in Waterboro. The results of this questionnaire will be on file in the Selectmen's Office;
2. Verified the suitability of the Town owned land adjacent to the Youth League Baseball Field on the Old Alfred Road;
3. Obtained a legal opinion regarding the Title of the above parcel of land;
4. Updated cost estimates for a building suitable for municipal use;
5. Made application to the U.S. Department of Commerce for a Public Works Capital Improvement Grant.

REPORT OF THE PLANNING BOARD

The Planning Board held 12 Regular and 7 Special Meetings, 7 work sessions, two hearings and one public informative meeting. While the average combined regular and associate member attendance was 82 percent, a full voting board of 5 were present at 17 meetings and a quorum of 4 were present at the remaining 2 meetings the duration of each of which averaged a little less than 3 hours.

The Board made 3 on-site inspections; approved 2 subdivisions including 21 lots; issued 7 permits to build in the Shoreland Zone; considered 7 applications for information

and rulings on various land transactions; drew up and had printed in pocket booklet form By-Laws for the Planning Board; substantially revised the Subdivision Regulations and had a new printing made; sought and considered proposals of 3 consulting firms relative to conducting a land use and zoning study of the Town and, since the signing of a contract with Land Use Consultants, Inc. to perform the study, have, along with the Selectmen and the Conservation Commission, been actively collaborating with the consultants in the development of a proposed zoning ordinance for consideration in 1977.

Respectfully submitted,

Douglas C. Foglio, Chairman

BICENTENNIAL COMMITTEE

In early March about twenty-five people representing various social and civic organizations met at the Town House to plan Waterboro's celebration for the Bicentennial.

Through previous applications submitted by members of the Waterborough Historical Society, Waterboro was named an official Bicentennial Community. Official flag-raising ceremonies were held.

James Carll, Dianne Holden, Alan Kallis, Jane McGrath and Andrew Woodsome, Jr., were elected co-chairpersons of the celebration. Elaine Kimball, Carrie Pazolt and Ellen Woodsome were in charge of publicity. Ongoing plans were the sale of Bicentennial plates designed by Art Stewart; the cleaning of the Town Pound, on Pound Hill, on the Ossipee Hill Road; meeting of the Maine Bicentennial Wagon Train; and a celebration for the weekend of July 4.

The weekend activities included opening ceremonies, baseball games, a variety show, a parade, a supper, family games, a gospel music jubilee, a dance, religious services, a chicken barbeque, a 200th birthday party, and participation in National bell-ringing ceremonies.

Awards were given to the following: Mrs. Florence Day, oldest resident; Fred and Lillian Hill, longest married; Cory Canning, youngest resident; Roland Dube and Donna Graffam, most newly married; Harold Powell, Starr King, James Bradburn and Elizabeth Knights, WWI veterans; Marion Tebbetts and Wilhelmina Shepard, Gold Star Mothers. Cheryl Guthrie was crowned Bicentennial queen. Dawn Day was crowned a Bicentennial princess.

Respectfully submitted,

James E. Carll

REPORT OF THE WATERBORO CONSERVATION COMMISSION

The Conservation Commission met once a month, usually the first Tuesday and had several special meetings at the Town Offices. Also, we met regularly with the Planning Board and Land Use Consultants. Other meetings attended by some of the members were with the Soil and Water Conservation Commission to determine water levels at Lake Sherburne, and educational programs at the Court House in Alfred on Natural Resources Inventory.

We joined the Maine Association of Conservation Commission and Natural Resources Council and members went to some of their meetings.

Tree planting programs for the town were reviewed. Our commission was one of fifty-two in the state to receive a \$100.00 grant from McDonald's for tree planting. As a result the grounds in front of the Waterboro Elementary School were beautified with the help of landscaping suggestions from O'Donals Nursery in Gorham.

The Commission had two litter pick-ups - one in the spring and the other in the fall and were aided in these by the Cub Scouts, Boy Scouts, Jaycees and 4-H group.

Two full scholarships at Bryant Pond Conservation

School were sponsored for Waterboro students attending Junior or Senior High School.

Time was spent in investigating the purchase of land on Ossipee Hill and abutting land including part of Bald Mountain.

Members are Jane Willett, Chairman, appointed to 1979; Emily Hamilton, Secretary, appointed to 1978; David Johnson, appointed to 1980; Stanley Gawron, appointed to 1981, and Associate member, Thomas McConkey.

AUDITOR'S REPORT

February 9, 1977

**Board of Selectmen
Town of Waterboro
Waterboro, Maine 04087**

Gentlemen:

In accordance with Title 30, Section 5253 of the Maine Revised Statutes of 1964, and at your request, we have examined the balance sheet of the Town of Waterboro as of December 31, 1976, and the related statements of fund balances and appropriations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the Town of Waterboro at December 31, 1976 and the results of operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Signed:

Dargis & Carignan

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are presented in accordance with generally accepted principles applicable to fund accounting and especially local governmental operations. The basic principles have been promulgated by the National Committee on Governmental Accounting and have received the endorsement of governmental units, their officials, the public and others interested in this type of financial statements.

BASIS OF ACCOUNTING

The cash basis of keeping the accounts whereby receipts and expenses are recorded on the books of account when received and disbursed respectively, without regard to the period in which they apply, is the bookkeeping basis of accounting. Since the cash basis is unsatisfactory for the presentation of the various funds of the general fund and various account groups, assets due to be received and obligations due to be paid, being consumated by December 31, 1976, have included in the applicable presentations.

FUNDS AND VARIOUS ACCOUNT GROUPS

A fund is defined as a group of several balancing accounts. An account is defined as a formal record of a particular type of transaction expressed in money. In government accounting, the basic accounting entity is a fund. Each fund has, therefore, its own assets, liabilities and balances (reserves and fund balances). Funds and various accounting groups are segregated for the purpose of carrying on designated activities resulting in obtaining certain objectives in accordance with regulations.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 1976**

- (1) The allowance for uncollectible amounts has been increased substantially during the past year in order to recognize the anticipated losses from Lake Arrowhead accounts. On April 14, 1977 the lien process will terminate and title to certain parcels of Lake Arrowhead properties is expected to pass to the Town. The value of the receivables against these properties was approximately \$70,794.69 at December 31, 1976 and will be unrealizable once title passes to the Town.
- (2) Accounts receivable represent \$4,703 of revenue sharing funds for the entitlement period 10/1/76-12/31/76 which were received in January, 1977, and \$4,797 which is receivable from the Dept. of Transportation as reimbursement of road construction costs.
- (3) The appropriated fund balance of \$66,040.97 represents the unexpended appropriation balances which are expected to be carried forward to 1977.
- (4) At the end of 1975 a reimbursement due from the Dept. of Transportation in the amount of \$22,066.20 was recorded as an account receivable with an offsetting increase to the unappropriated fund balance. According to Article 15A of the annual town meeting on March 8, 1975 the reimbursement was to be used to repay the road construction note and therefore should have been a credit to the appropriated fund balance.

SCHOOL ADMINISTRATIVE DISTRICT NO. 57**Office of the Superintendent****Waterboro, Maine 04087**

To the Citizens of the Town of Waterboro:

The Annual Report of the superintendent of School Administrative District No. 57 has traditionally been issued at the beginning of the calendar year but this year the regular annual report will be issued in the Spring in order to conform with the new fiscal year under which the District now operates. At the request of the Waterboro Selectmen's Office, I am issuing this Interim Report which deals primarily with enrollment data which will hopefully be of interest to Waterboro citizens.

Since Massabesic High School opened in 1969, Waterboro's enrollment has increased rapidly and is summarized in the Chart as follows:

Date	Waterboro Enrollment	Waterboro Increase	Waterboro % Increase
October 1, 1976	655		
October 1, 1975	593	62	10.5%
October 1, 1974	516	139	26.9%
October 1, 1973	423	232	54.8%
October 1, 1972	349	306	87.7%
October 1, 1971	334	321	96.1%
October 1, 1970	303	352	116.2%
October 1, 1969	272	383	140.8%

The 655 1976-77 Waterboro student enrollment is distributed on a grade by grade basis regardless of where the students are housed as follows:

Elem.				
Spec.	Kdg.	Gr. 1	Gr. 2	Gr. 3
13	67	60	46	59
Gr. 4	Gr. 5	Gr. 6	Gr. 7	Gr. 8
52	47	67	51	43
Sec.				
Gr. 9	Gr. 10	Gr. 11	Gr. 12	Spec. P.G.
50	39	33	19	8 1

Although Waterboro's enrollment has increased drastically since 1969, the overall District's enrollment has also increased rapidly as is summarized in the Chart as follows:

Date	District Enrollment	District Increase	District % Increase
October 1, 1976	2271		
October 1, 1975	2136	135	6.3%
October 1, 1974	1985	286	14.4%
October 1, 1973	1782	489	27.4%
October 1, 1972	1650	621	37.6%
October 1, 1971	1560	711	45.6%
October 1, 1970	1475	796	54.0%
October 1, 1969	1350	921	68.2%

Because Waterboro outgrew its two elementary schools several years ago, other arrangements were made for housing students during 1976-77. About 41 students have been transported to Limerick, 4 to Alfred, and 5 to Shapleigh. In addition, 58 third grade students are housed at the Middle School. All of these arrangements have inconvenienced Waterboro families and have created hardships on other schools but have been necessitated by the lack of available space.

Arrangements are now being formulated to house the

student enrollment increase which is projected for next year. The Board of School Directors is also developing a recommended building project or projects which will be submitted to the State and eventually to the citizens for approval as soon as the moratorium on school construction is lifted.

I wish to express my sincere appreciation to all citizens and staff for the helpful cooperation in operating our school system this year. Your continued cooperation and helpfulness is solicited for the coming year in the many problems which must be solved.

Respectfully submitted,

Robert E. Powers
Superintendent

SELECTMEN'S REPORT

In 1976 the Selectmen have experienced an ever increasing work load due to the increase in the number of State and Federal regulation which the Town is now required to meet. Examples of these are the increased regulations on the Dump, Assessing, Roads, General Assistance, etc. It is evident that these regulations will become more complex and require the Selectmen to devote more and more of their time in the future.

The Selectmen, in cooperation with the Treasurer, have made significant changes in the borrowing and handling of daily cash receipts of the Town. This has allowed the Town to better plan for its borrowing needs, as well as receiving interest on daily cash receipts. This means that the Town has been able to receive excess of \$3,400.00 of interest which it has not received in the past.

The Selectmen have been working with the Department of Environmental Protection for the past six months on the problem of solid waste disposal. The Town has been put on notice by the Department of Environmental Protection, that effective July 1, 1977, all open burning at its present Dump must cease, and an alternative to the present method of waste disposal must be developed. The Selectmen are now investigating alternatives and hope to have a solution to this problem by July 1, 1977.

An increasing problem facing the Selectmen and Road Commissioner is the maintenance, building, plowing and sanding of Town Roads. In 1977 we have been very fortunate to have had use of his knowledge in rebuilding town roads where funds were appreciated. The construction cost of Town Roads has increased significantly with the increase cost of tar and the Selectmen and Road Commissioner made every effort to complete construction. In 1976 the Selectmen were able to secure a small amount on Town Road Improvement money from the State to aid in the construction of certain roads.

Another problem which has demanded a significant amount of the Selectmen's time is roads which have not been maintained by the Town for many years. Many questions have been raised by individuals, whether these roads are now Town roads or discontinued as provided by State Statutes.

One significant accomplishment of the present year was that there was no need to call a Special Town Meeting in 1976. All business of the Town was transacted at the Annual Town Meeting, instead of a special meeting where there are often only a few citizens with special desires in attendance.

Another area which consumes a large portion of the Selectmen's time is assessing. In 1976 the Selectmen continued to update its tax cards and reviewed its tax files to assure their accuracy. There were over 2,218 changes to the tax record of the Town in 1976. Each of these required review and investigation by the Assessors.

There were sixteen applications for General Assistance in 1976. The Selectmen continue their policy of finding work if possible for all individuals who were able to work.

At the Annual Town Meeting monies were raised for a plan and survey of Town owed land on the Old Alfred Road. This survey and plan was completed by E.C. Jordan Co. and is available for interested citizens to review at the Town Office.

Respectfully submitted,

John C. Monteith, Chairman
Daniel G. Willett
Daniel C. McCarthy

Art. 45: To see if the Town will
vote to authorize the Selectmen to
sell and dispose of, at public
auction, any tax title property
acquired by the Town of Water-
boro through matured tax liens,
said public auction to be advertised
in advance by posting notices in
four conspicuous places in the Town
at least 15 days prior to sale, in
addition it shall be printed 2 weeks
in the Sanford Tribune prior to
such sale or sales. Those lands
deemed best kept by joint con-
ference of the Planning Board, the
Selectmen and the Conservation
Commission shall not be placed
for auction, but held by the Town.
The Selectmen shall execute quit-

claim deeds signed by all three for such property. Sales shall be made with the understanding that the purchaser be responsible for establishing boundary lines. Provided however, that the Selectmen, in their discretion, may execute and deliver quit-claim deeds to and for the benefit of persons claiming present title, to clear the public records of old tax deeds or matured tax liens for which a discharge is not of record because of inadvertance of the like, without the necessity of sale at public auction. Provided further, that the Selectmen, in their discretion, may execute and deliver quit-claim deeds for such property to the prior owner or owners or his successors in interest if the amount of delinquent taxes together with the costs and interest are fully paid within three years from the date of maturity of foreclosure of the most current tax lien, also without the necessity of sale or public auction. The Tax Collector shall submit a list of all Tax Title properties to the Selectmen, by the first of the year, and list published in the Town Report.
